End Date: **24/10/2018**

Course delivered by

Gemma Fieldsend

Mental Health First Aid (MHFA) England is a community interest company working to increase mental health awareness and skills across society. Our range of courses are designed to empower people to support their own mental health and that of the people they connect with in life.

By giving people the facts about mental health and the practical skills to support wellbeing, we work towards building healthier communities free from stigma.
